SOLID WASTE WORKSHOP

MARCH 22, 2018

6:30 P.M.

COUNCIL CHAMBERS
104 N. RIVERSIDE DRIVE

There will be a Solid Waste Workshop, open to the public, to discuss the Refuse Collection Services of the City of Edgewater and possible operational efficiencies to help sustain customer service and contain increasing costs of providing services.

THE OFFICIAL NEWSLETTER FOR THE CITY OF EDGEWATER

MARCH, APRIL, MAY 2018

BIKE FLORIDA SPRING TOUR

Bicycle touring is a multisensory experience where you see the details of your surroundings, smell the air, hear sounds of the area and feel the texture of the road through your pedals. The "SAND & STARS" Spring Tour is an opportunity to create lasting memories from the perspective of your bicycle.

From March 17-19, Bike Florida kicks off their annual Spring Tour in Edgewater, with hundreds participating in group rides, to and from the Southeast Volusia YMCA.

Routes will be supported with signage, law enforcement and rest stops every 10-15 miles. Nightly entertainment including live music, BMX stunt performances and a talent show, right in Hawks Park, are open to the public.

For additional event information, please visit www.bikeflorida.org.

ENVIRONMENTAL SERVICES NEWS & INFORMATION

RECLAIMED WATER FACTS

- Reclaimed water is also known as reuse water.
- Reclaimed water is highly treated wastewater effluent, disinfected to a high degree, making it useable to safely irrigate medians, ball fields and residential lawns.
- Reclaimed water must meet strict water quality requirements established by the Florida Department of Environmental Protection (FDEP).
- Reclaimed water meets most of the drinking water standards and is safe for human contact, though it is NOT intended for use as drinking water.
- Reclaimed water is safe. There have been no reports of ill effects from the prescribed usage.

"APPROVED" USES OF RECLAIMED WATER

- ✓ Irrigation of lawn, flower gardens, trees and shrubs.
- ✓ Washing of your vehicle or boat.

"UNAPPROVED" USES OF RECLAIMED WATER

- x Drinking-Human and pet consumption.
- x Connecting any pipes to your reclaimed water pipes.
- x Filling swimming pools, wading pools, Jacuzzis, spas or any recreational uses.
- x Children should not be permitted to play in reclaimed water.
- x Any usage inside the home or garage including food preparation, washing clothes, bathing, showering, washing pets or toilet flushing.

RECLAIMED WATER CUSTOMERS ARE RESPONSIBLE:

- To protect your reclaimed water from being used by others in unapproved uses.
- To educate all members of your household and guests of the approved and unapproved uses.
- To not share with neighbors, or allow reclaimed water to be transported off your property by any means.
- To not make or allow any connections of reclaimed water to potable (drinking) water lines.
- To have no above ground spigots connected to reclaimed water.
- To not connect reclaimed water to water cooled air conditioners.
- To disconnect existing irrigation systems on potable water before connecting to the reclaimed water.
- To make sure existing irrigation wells that are interconnected with reclaimed water system are fitted with a reduced pressure zone (RPZ) back-flow prevention device on the well or disconnected.
- To avoid spraying reclaimed water on the street, sidewalks, and other neighbor's property and avoid forming reclaimed water puddles on the ground.

RECLAIMED WATER USE CONSERVES DRINKING WATER SUPPLIES AND REDUCES DISCHARGES OF DOMESTIC WASTEWATER TO SURFACE WATERS.

For More Information or to Comment to Reclaimed Water,
Contact the Department of Environmental Services at
(386) 424-2400 ext. 4007 or PublicWorks@cityofedgewater.org.

HELP STOP "POO"LLUTION

ARE YOU A RESPONSIBLE PET OWNER?

Cleaning up pet waste is part of being a responsible pet owner and remember, it is required by City Code! Seriously, when it rains, pet waste left on the ground gets washed into storm drains and stormwater drainage ditches which flow to our local waterways...without being treated! YUCK!

Bacteria, parasites and viruses found in pet waste can be harmful to water quality and human health. So, not only is picking up after your pet being responsible and neighborly, it is the healthy thing to do for you and the environment! Remember to clean up pet waste in your own yard as well!

WHAT CAN YOU DO?

How can you get rid of pet waste and help keep our waterways clean? Scoop it up in an eco-friendly bag and dispose in the garbage or scoop it up and dispose in your toilet un-bagged. This option sends it to the wastewater treatment plant to be treated. Be part of the solution and help Stop "poo"llution!

CONTACT THE DEPARTMENT OF ENVIRONMENTAL SERVICES WITH QUESTIONS AT (386) 424-2400 EXT. 4007 OR PUBLICWORKS@CITYOFEDGEWATER.ORG

Local SCHOOL SCHOLARSHIP Fund

The **Local School Scholarship Program** began in 2011 to create educational opportunities for Edgewater students, encourage them to pursue college and also to assist local schools with enhanced educational programs. The Scholarship Fund is financed through fundraising events such as the annual Princess Ball as well as through donations from residents, businesses and friends.

One time donations can be dropped off or mailed to City Hall at 104 N. Riverside Drive, Edgewater, FL 32132. Recurring monthly donations of any dollar amount can be added to your Edgewater utility bill by contacting Utility Customer Service or search "Scholarship" at the City's website: WWW.CITYOFEDGEWATER.ORG.

To apply for Scholarship, New Smyrna Beach High School students visit their guidance office and complete the Standard Scholarship Application. Edgewater students, not attending New Smyrna Beach High School, may contact the City Clerk's Office for an application.

For more information, contact the City Clerk's Office at (386) 424-2400 ext. 1102.
