## LIBERTY BELL REPLICA ON DISPLAY

Thank you to Liberty Village for the loan of their full scale replica of the Liberty Bell. It is on display in the lobby of the City Council Chambers at 104 N. Riverside Drive. The public is welcome to stop by to view this tribute to our country's history during normal business hours (Monday through Friday from 8:00 am to 4:30 pm). Access to the Council Chambers will be provided by visiting the main City Hall lobby and asking the cashier.

### RED CROSS EMERGENCY APP

The American Red Cross has a new Emergency app to help keep your family safe in severe weather and emergencies. Monitor conditions in your area or the area of loved ones, prepare your family and your home, check to see if loved ones are safe and let them know you're safe. The app allows you to monitor the people and places you care about with real-time local alerts for severe weather earthquakes, tornadoes, hurricanes, flood, tsunamis, thunderstorms, extreme heat, wildfire and more. For more information, visit

[www.redcross.org](http://www.redcross.org)

- WALLY WASH**  
1317 S. Ridgewood Ave.
- WILLIAMS ENGINEERING**  
931 S. Ridgewood Ave, B4

## FLOOD FACTS

After living through hurricane Irma, the importance of being prepared for Hurricanes, that can bring heavy rain fall and cause flooding, is all too clear.

Consider these flood facts:

- ◆ Everyone lives in a flood zone. It is just a question of whether you live in a low, moderate or high risk area.
- ◆ Just a few inches of water from a flood can cause tens of thousands of dollars in damage.
- ◆ A car can easily be carried away by just two feet of floodwater.
- ◆ Most homeowner's insurance policies do not cover flood damage.
- ◆ You are eligible to purchase flood insurance if you are a renter, homeowner, or business owner and your property is located in a NFIP-participating community. Edgewater participates in the National Flood Insurance Program.
- ◆ It may take 30-60 days after purchase for a policy to take effect, so it is important to buy insurance before a storm approaches.
- ◆ Even though flood insurance is not federally required, anyone can be financially vulnerable to floods. People outside of mapped high-risk flood areas file nearly 25% of all insurance claims.
- ◆ Edgewater participates in the Community Rating System (CRS) and residents can qualify for an insurance premium discount.

**More information about floods and flood insurance can be found at [www.floodsmart.gov](http://www.floodsmart.gov).**

## STORMWATER RUNOFF

In recent years, the source of water pollution from industrial waste from factories has been greatly reduced. It's hard to believe, but approximately 60% of water pollution comes from things like runoff from washing cars, fertilizer from farms, gardens, lawns and PET WASTE.

Small sources add up to a big pollution problem. So, believe it or not, our common households are the biggest water pollution problem, not industry. Since they are small sources, we can do small things to eliminate the problem and clean up our waterways. It starts by realizing that our sewers and storm systems are separate and what goes into storm drains flows directly into the Indian River Lagoon.

**Department of Environmental Services - Stormwater Division**  
**(386) 424-2400 ext. 4007**

## PROTECT FLORIDA'S WATER FROM "POO"LLUTION

When it rains, pet waste left on the ground gets washed into storm drains and stormwater drainage ditches which flow straight into the Indian River Lagoon...without being treated! YUCK!

Decaying waste carries diseases, uses up oxygen and sometimes releases ammonia. It also contains nutrients that encourage weed and algae growth, making water unsafe for swimming or drinking. Since bacteria, parasites, and viruses found in pet waste can be harmful to water quality and human health, picking up after your pet being is the responsible, healthy and neighborly thing to do for you and the environment. Remember to clean up pet waste in your own yard too.

**WHAT TO DO WITH PET WASTE?** The preferred method of pet waste disposal is to scoop it, bag it and put it in the garbage. Landfills are designed to safely handle substances such as pet waste. An alternative is to flush waste only (NO BAGS) down the toilet. If you have City water then the water from your toilet goes to the City's Wastewater Treatment Plant where all pollutants are removed. If you have a septic system, then do not flush pet waste down the toilet. Flushing pet waste can potentially exceed the design capacity of the septic system. **NEVER FLUSH CAT LITTER!**

## REFUSE & RECYCLING HOLIDAY SCHEDULE

### Household REFUSE Holiday Schedule

HOLIDAY OBSERVED IS AS FOLLOWS:	HOUSEHOLD REFUSE If regular days are <b>MONDAY &amp; THURSDAY</b> Pickups will be made on:	HOUSEHOLD REFUSE If regular days are <b>TUESDAY &amp; FRIDAY</b> Pickups will be made on:
<b>THANKSGIVING</b> Thursday, November 22 & Friday, November 23	MONDAY ONLY	TUESDAY ONLY
<b>CHRISTMAS</b> Tuesday, December 25	MONDAY & THURSDAY	WEDNESDAY & FRIDAY
<b>NEW YEAR'S DAY</b> Tuesday, January 1	MONDAY & THURSDAY	WEDNESDAY & FRIDAY

PLEASE REMEMBER TO BAG OR CONTAIN HOUSEHOLD REFUSE

**\*\*There will NOT be pickup of yard trash/brush during the Christmas & New Year's Holiday weeks\*\***

### Household RECYCLING Holiday Schedule

HOLIDAY OBSERVED IS AS FOLLOWS:	RECYCLING MONDAY Pickup will be made on:	RECYCLING TUESDAY Pickup will be made on:	RECYCLING THURSDAY Pickup will be made on:	RECYCLING FRIDAY Pickup will be made on:
<b>THANKSGIVING</b> Thursday, November 22	MONDAY	TUESDAY	WEDNESDAY	FRIDAY
<b>CHRISTMAS DAY</b> Tuesday, December 25	MONDAY	WEDNESDAY	THURSDAY	FRIDAY
<b>NEW YEAR'S DAY</b> Tuesday, January 1	MONDAY	WEDNESDAY	THURSDAY	FRIDAY

ALL REFUSE & RECYCLING MUST BE AT CURBSIDE BY 7:00 a.m.

If you have questions about the schedule please contact the Department of Environmental Services, Sanitation Division at (386) 424-2400 x4007

## CONTAIN YARD WASTE

Our Refuse Department works hard to keep up with items and yard waste placed by the road. We encourage residents to bag or contain yard waste as much as possible.

Picking up individual piles of sticks and other small vegetative items is time consuming and slows down the operation. However, if you can put those items in a container that can be picked up and emptied into garbage trucks, it greatly improves our ability to provide timely service.

We commit to picking up ALL BAGGED AND CONTAINED YARD WASTE EVERY WEDNESDAY (excluding some holiday weeks), while uncontainable piles of vegetative debris are picked up on a continual route. So remember, IF YOU CAN CONTAIN IT, WE CAN GRAB IT...EVERY WEDNESDAY.

## WATERING RESTRICTIONS

FALL BACK! Daylight Saving Time ENDS Sunday, November 4<sup>th</sup>. It's time to replace smoke detector batteries, reset your irrigation system timer and make note of the changing seasonal watering restrictions. Until March 10, 2019, ODD numbered houses water on Saturday, EVEN numbered houses water on Sunday and Non-residential properties water Tuesday each week. Please note that Edgewater has lifted all water restrictions on Reclaimed Water, but asks that you voluntarily refrain from watering between the hours of 10 am-4 pm.

# When it comes to flu season, vaccine & handwashing go hand-in-hand.

Talk to your health care provider about the flu vaccine and follow these steps:

- Wash your hands often with soap and water. If you don't have soap and water, use an alcohol-based hand sanitizer.
- Don't touch or shake hands with people who are sick.
- Clean and disinfect frequently touched surfaces.
- Cover your mouth and nose with a tissue when you cough or sneeze. If you don't have a tissue, cough or sneeze into your upper sleeve or elbow, not your hands.
- Stay home when you're sick.
