PART THREE

I, the Applicant/Owner, hereby acknowledge receipt of the City of Edgewater's Policies and Procedures Information Packet relating to Reclaimed Water Service and Water Conservation, and hereby agree to restrict the use of reclaimed water for the purpose(s) described in this application/agreement and abide with the current and any amended City and State Rules and Regulations.

Even though the City of Edgewater will make every effort to provide a continuous supply of reclaimed water, I understand and acknowledge that there may be various times during dry weather (or drought) periods, excessive use of the system, or for maintenance/improvements to the system that the reclaimed water may not be available for my personal use.

I further agree, the City will not be held liable for damages that may occur to vegetation or which may occur due to uses of reclaimed water for purposes not included in this application, and agree to defend and hold harmless the City of Edgewater from all claims and judgments arising against the City by any person.

The City shall have the right to enter the above premises to inspect the reclaimed water piping and fittings, to discontinue City utilities for nonpayment of service charges, for tampering with the service, for violation of cross connection rules or regulations, or for any other reason that may be detrimental to the City system. Refusing to permit such inspection shall be grounds for immediate discontinuance of reclaimed water service.
