Darla Hall was born in Indiana and still resides there. She grew up in a small town where she loved playing and watching sports. This book concept was developed in 2012 when a young boy she knew was hit by a car and broke both of his legs. She created her first activity book as a gift for him. Her company, Witty Publications, now has hundreds of titles available at [www.wittypubs.com](http://www.wittypubs.com).
