

Department of Environmental Services

**PLEASE
DO NOT FLUSH
THE FOLLOWING:**

- *Wet wipes used for personal hygiene or household cleaning**
- *Rubber gloves or medical related items**
- *Cooking oil**
- *Infant and/or adult diapers**
- *Feminine hygiene products**
- *Pet waste in bags**

Any of these items can clog the pumping system needed to return wastewater to the treatment plant.
If you have any questions, please give us a call at 424-2400 x4007.
