

The City of Edgewater's Local School Scholarship Program

The City of Edgewater's Local School Scholarship program began in 2011 to promote education beyond high school. The Scholarship program is financed through fundraising events such as the annual Princess Ball, EDGEfest events, donations from local businesses and some Edgewater utility customers who also help local students achieve more by adding a recurring donation to their monthly utility bill.

Edgewater's Scholarship program is designed to create educational opportunities for graduating students who reside in Edgewater, Florida in order to encourage them to pursue college, vocational training or other educational programs after high school.

This year, Edgewater projects awarding at least \$9,000 in Scholarships to local students. **March 6, 2026** is the deadline for them to submit their Scholarship Applications.
